

Special Note from Off of Mayor-Pro-Tem

Hello,

For any business or families that are looking for a great Town to work and or live, Old Fort is the Town for you.

Old Fort is directly linked to Interstate 40 and is 20 mins from Interstate 26.

Our work force is second to none. Our infrastructure (water and sewer) are running at about 25 % capacity so we have the capability to handle your needs and help your business grow.

For families, our small town is a great place to live, with a population of just under a thousand we still have a small home town feel, where you can live and not worry about the hustle and bustle of the big city. We are 20 miles from Asheville for when you feel the need for a taste of the city.

Our tax rates are among the lowest in western North Carolina set at just .32 cents per hundred, so you can get more bang for your buck.

Old Fort has also been approved for a new elementary school to be constructed very soon.

We also have an abundance of hiking, fishing, and lots of outdoor activities. We also have our fair share of yearly festivals, including being the home of the official North Carolina gold festival, which is held every June.

So come be a part of our town. If you have any questions please feel to call my office.

Sincerely,

Andrew Carlton
