BOIL ADVISORY!

The Town of Old Fort has had a water main break in the area north of the Rail Road track, which supplies water to your resident. Which requires all residences on the north side of the railroad tracks that are supplied water from the Town of Old Fort to boil water until further notification.

Therefore, the Division of Water Resources advises that when water consumers **should boil all water** used for human consumption (including drinking, making ice, brushing teeth, washing dishes and food preparation) or use bottled water.

Vigorous boiling for one (1) minute should kill any disease-causing organisms that may be present in the water.
