

Water Line Repair Notice

Due to extreme cold temperatures, there is a main water line leak at the intersection of East Main Street and North–South Spring Street.

A work crew will be on site to repair the water line.

Repairs are expected to take several hours. Motorists and nearby residents may experience delays or disruptions during this time.

We appreciate your patience and understanding as crews work to resolve this issue as quickly and safely as possible.

Town Hall Update

Due to icy conditions in the Town Hall parking lot, Town Hall is open for phone calls only at this time to ensure the safety of our staff and citizens.

Please contact us by phone for assistance, and we will share updates as conditions improve. 828-668-4244

Thank you for your understanding, and please stay safe.
